The Bachelor of Science in Education, Special Education degree prepares teacher candidates to work with K-Adult students in the areas of learning disabilities, mild/moderate intellectual disabilities, and emotional/behavioral disorders. Concord's Teacher Education Program is designed to provide teacher candidates with opportunities to gain the critical knowledge, skills, and dispositions needed to teach all children. This program does not include an Autism endorsement

MILESTONE COURSES

Courses marked as Milestone Courses are crucial for staying on track to complete your degree in four years. Take them in the recommended semester to stay on track! If you see a recommended minimum grade, this is the grade you are required to have in order to pass.

LANDMARKS

Points where you see a landmark icon on the four-year plan indicate you have reached a point of action outside regular coursework! See the Helpful Hints for information on each landmark.

Helpful Hints
