

# University Assessment Committee Meeting Agenda

**Location:** Zoom

**Date:** September 4

**Time:** 2:00pm

## 1) Fall Workshops – dates TBD

### a) Analyzing Assessment Data

Description: A key factor in achieving real value from assessment work is to make the most out of the information you have collected. In order to do this, you must use effective analysis and interpretation practices. The purpose of this workshop is to provide faculty with an introduction on how to analyze simple assessment data that can lead to increased student learning

### b) Getting to Know University Assessment

Description: The purpose of this workshop is provide an overview of the purpose, process and approach to assessment. The workshop is open to faculty and staff as both academic and co-curricular activities are vital to the assessment and achievement of student learning. New faculty and staff are highly encouraged to attend.

### c) Navigating Concord Assessment Portal System

Description: The purpose of this workshop is to help faculty navigate the new assessment portal that will be used for collecting all 5-year and annual assessment reports. The workshop is open to all faculty but is highly encouraged for those who are responsible for writing and submitted this year's reports.

## 2) Program goals and outcomes on academic program webpages update
