The **Master of Social Work** degree prepares graduates for advanced generalist social work practice with a specialized area in rural practice. The MSW Program is built upon a systems approach and the strengths perspective, delivered in a manner that meets the needs of students that live and/or work primarily in rural areas.

Practicum Courses

You must complete a practicum application before you can register for any practicum course. The Practicum Application can be found on the [Practicum Education page](#).

Clinical Licensing

Although, Psychopathology is not required for LICSW in all states it is a great clinical social work elective to take and is offered in the Advanced Year.

It's time to apply for graduation!

Registrar will send an email out about applying for graduation. Although, you complete the program in the summer, you walk in the spring ceremony. The \$50.00 application fee is put on your Student account with the SOWK 660C course. Please check with Student Accounts to ensure it's been paid.
