Idk

Felt like family

I was able to work, study, do theatre, and participate in other groups on campus.

I enjoyed it

Making new friends

The small size

The atmosphere

Memories made with others

The people

The online set up is wonderful and super easy to follow. The other online student's and teachers were also so great to work with. It made classes fun and interactive. My coordinator was also wonderful!

Teachers to student ratio

All online and was able to work and get my degree

The family atmosphere

The onlone courses and teachers

learning new perspectives on issues

The online experience has been beneficial and accommodating to my busy schedule.

The atmosphere involving students, staff, and even athletics as been very enjoyable.

Class

The thing I enjoyed the most at Concord was learning about things that interested me in multiple higher-level courses. These courses also provided opportunities for research projects, which were also enjoyable to do.

I deeply enjoyed the academic experience and expertise that it gave me.

I loved small class sizes with professors who knew my name.

The online platform let me get my degree while still working full time and care for my family

The people/staff and activities

Graduating

The close community and the effort everyone put into student success made my time at Concord a truly memorable and enjoyable experience. Everyone there is dedicated to the wellbeing and success of students.

The helpful competent professors and the peers

everything

I enjoyed the warm atmosphere, and the caring professors. The professors I had was willing and eager to help assist me at anytime.

I think what I love most about Concord is the community. It's safe and there's a lot of ways for students to get activity and meet new people. I enjoyed perks like the free gym, the study lounges in dorms, the computer lounge outside of cafe, the late library hours and the accessibility of staff memebers who are willing to help students find their way. I have enjoyed the time spent here and hope to see more students get the best of Campus Beautiful in the years to come.

The bio dept atmosphere probably was the best one at Cu. They should really be better emphasized because it was really the only dept that cared

Flexibily of online courses

Learning more about health sciences and making new friends and connections.

The concepts I learned, the people I have met. And the research and writing skills I acquired.

I have enjoyed my teachers.

I enjoyed the connection I made with my professors of my major, and the lifelong friendships that I have obtained.

The free events, and knowledge I learned while attending.

My teachers were amazing. They have helped me in so many ways to be better prepared for a career in my field of study

---

As a MSW student I enjoy the courses and the very helpful professors

---

The experiences I had while there

Getting to know my professors very well and the activities and events provided on campus.

The majority of the professors I had at Concord were top-notch and genuinely cared about their students. Most of the events I attended at the school were also very fun. I utilized student employment and institutional scholarships while I was at Concord, and it is a relief to know that I will be able to graduate debt-free.

Meeting new friends and taking fun classes

Great people and helpful staff and faculty

I loved that the MSW is available online!

Having it completed

Learning and field

People

Quality of education

The professors in my field of study are phenomenal. They genuinely care about their students and not only their education but overall well being.

I enjoyed the financial aid opportunities, work study, and the ability to choose my classes either in person or online.

Met new people

I enjoyed Concord tremendously! The atmosphere just feels like home, and everyone is so kind. The small teacher to student ratio also allows relationships to form over the years, and it is these relationships that I am so thankful for!

I really enjoyed the relationship that I built with the professors within the Department of Business.

Creating friendships and memories that will last a lifetime.

Better meal options, more student activities

some professors could have more infomrative zoom meetings

N/A

I believe that Concord could become a more diverse school

Campus Events.

One thing Concord could improve on is the parking situation. As a commuter with a full-sized truck, some of the lots and spaces are a little tight. Also, when a lot is closed for an event of some sort, all the other lots get packed. So, having more and/or better planned out/managed parking would be nicer.
